

*Was told you've been real good this year
Always glad to hear it!
With freezing weather drawing near,
You'll need to warm the spirit.
So here's a little Snowman Soup
Complete with stirring stick.
Add hot water, sip it slow.
It's sure to do the trick!*

*A little cup of cocoa,
I'm sending 'round your way.
I hope that you'll enjoy it,
On some cold & wintry day!*

*As you sip this cocoa,
It's warmth will warm your heart,
Just like your friendship warmed up mine,
Right from the very start!*

*When it's so cold
That you holler & whoop,
It's time to make
Some Snowman Soup!*

*Pour the packet in a mug,
And add marshmallows too,
Then some kisses, which I put there,
'Specially for you!*

*Add hot water,
Use the cane to stir it.
Sip it slowly,
And feel the warm winter spirit!*

*When the weather outside is frightful,
Snowman Soup can be delightful!*

*May it warm your spirit & soul,
Let it snow, let it snow, let it snow!*

*When you feel a chill or "burr",
Use the candy cane to stir*

*Add hot water & sip it slow,
Let it snow, let it snow, let it snow!*
